International Center of Exhibitions (I.C.E.)
Hanoi | Vietnam

The 2nd premier exhibition & conference of machinery, technology & materials for manufacturing tiles, sanitaryware, tableware & heavy clay in Vietnam

Co-Organised by Asian Exhibition Services Ltd., AES (UK) Limited & the Vietnam Building Ceramic Association (VIBCA)

Ferro to headline at VIETNAM Ceramics 2020

Ferro takes centre stage at Vietnam's leading international exhibition for ceramic manufacturing with their latest industry innovations and production solutions, staged from 26-27 August at the International Centre of Exhibitions (ICE) in the heart of Hanoi.

Ferro are a global industry leader with over 100 years of experience as a producer of technology-based performance materials focusing on three segments: Performance Coatings, Performance Colors and Glass, and Color Solutions. The company offers frits, porcelain and other glass enamels, specialty pigments and ceramic colors to ceramic, glass and plastic digital inks and printers.

Visit Ferro at VIETNAM Ceramics 2020 booth #E1 in ICE Expo Hall 2, from 26-27 August.

2020 welcomes a global showcase of ceramic materials and technology

VIETNAM Ceramics 2020 will see the return of international pavilions from Italy, China, India and independent exhibitors from throughout the world, this month welcomes new companies and products to the expo from Germany, Japan, Turkey, the Netherlands, India, Bulgaria, Thailand, China, Italy and Vietnam.

VIETNAM Ceramics has moved to Hanoi's International Centre for Exhibitions (ICE) for 2020 providing a central city location, 4,000m2 of exhibit space and a wide scope of onsite and co-located event facilities.

2020 SPECIAL FEATURE: Innovation Forum of Vietnamese ceramic product Pavilions

Vietnam's leading ceramics manufacturing join hands with VIETNAM Ceramics 2020 to display their latest market products, trends and designs. The 'Ceramic Product Vietnam' pavilions will bring together members of the supporting Vietnam Building Ceramics Association to provide first hand understanding of Vietnam's capabilities and needs from tiles to sanitaryware, tableware and heavy clay products.

"The 'Ceramic Product Vietnam' showcase will give visitors and exhibitors alike a first-hand experience of Vietnam's ceramic excellence and create a clear understanding of the market's production advancements and equally its technology, materials and manufacturing supply needs as Vietnam innovates and invests to become a global industry leader. The special feature for 2020 will provide an opportunity to meet, discuss and to business with Vietnam's leading producers."

Mr. Dinh Quang Huy, Chairman,
Vietnam Building Ceramics Association (VIBCA)

The 'Ceramic Product Vietnam' feature will include a pre-show technical tour and will also invite guest exhibits from Vietnam's import markets of China, India, Spain, Italy, Malaysia and Thailand. To find out more contact the organisers directly at ceramics@aesexhibitions.com
